A sanctioned YMCA championship meet may not be counted as both the sanctioned meet required and one of the inter-association meets required. The YMCA Fall Virtual Invitational Meet may be counted as one of the inter-association meets. If pandemic issues and current health and safety policies in certain geographic regions cause severe disruption of meet scheduling, consideration may be given to some relief of participation requirements in those regions. ENTRY INFORMATION

ENTRY LIMITS: There is no limit to the number of events the athlete may enter. However, an athlete may only compete in a maximum of **nine (9)** events, of which no more than **four may be individual events**, not including Time Trials. A team may only have one entry in a relay event.

As this meet is **USA-S Approved**, there is a daily limit on the number of events a swimmer can swim (rule reference 102.2.2 and 102.2.7).

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet.

- Time Trial events count toward this daily total.

QUALIFICATION PERIOD: The qualification period is February 1, 2022, through the entry deadline.

USA-S IDs: Only USA-S registered athletes should have an ID number in the Meet Entry File.

TIME STANDARDS: Swimmers/Relays must have equaled or bettered the minimum time standard: See Appendix 2A for qualifying times.

BONUS DISTANCE EVENT: If a swimmer qualifies for either the 1000 Freestyle or the 1650 Freestyle, but has not qualified for the other event, the swimmer may enter the other event by achieving the bonus ("B") qualifying standard. Example: Swimmer qualifies for the 1000 Freestyle but has not achieved a qualifying time for the 1650 free, that swimmer can enter both the 1000 free and enter the 1650 free as long as they qualify according to the bonus 1650 free qualifying time.

A swimmer having only the bonus qualifying standard in the 1000 Freestyle or 1650 Freestyle may enter that event and may be selected to compete in that event if the event does not fill (maximum 32 entrants) with swimmers having the regular ("A") qualifying time in either event. Coaches will be notified at Meet Check-in.

ENTRY TIMES: No Times (NT) are not allowed. Entry times for individual and relay events shall be the athlete's fastest times achieved during the current qualifying period. (USA Swimming Rule 207.9.4.A) The fastest short course yards times shall be used. If a swimmer has a conforming qualifying time (short course yards), this time must be used, otherwise a non-conforming qualifying time should be used. The order of seeding for an event will be SCY, SCM, LCM, and then athletes with a disability with non-conforming standards. Entries must be made using actual times. Time conversion is not permitted.

HIGH SCHOOL TIME: High school times used for meet entry must have been achieved at USA-S observed high school meets.

RELAY ENTRIES: Relay teams and times may be entered in one of the following ways:

Intact Relay from the current season (time achieved between September 1, 2022, and entry deadline) – The time belongs to the team and maybe entered without additional qualifications.

Intact Relay with time achieved between February 1, 2022 and August 31, 2022 – All athletes on the relay team that achieved that entry time must be eligible to compete at the 2023 National Short Course Championship Meet and all four swimmers must be entered in the meet.

Composite Relay – The names of each athlete comprising the relay entry must be eligible to compete at the National Short Course Championship Meet and appear on the team entry.

Additional Qualifying Standards for 200 Medley Relay and 200 Free Relay. May use 400 MR and 400 FR times to qualify when a 200 time cannot be proven. These times will be seeded last as a non-conforming time. This option applies to both a Relay from the current season and an Intact Relay achieved between February 1, 2022, and August 31, 2022.

ATHLETES WITH A DISABILITY: The YMCA National Championship Meet Committee encourages the entry of athletes with a disability who meet the YMCA eligibility requirements and the Can-Am Para Swim time standards in the meet.

When completing your entry for these individuals and your team (if you have other qualifiers) you will submit your entry using the Online Meet Entry system. You will get an error message saying that your athlete's time does not meet the time standard. Contact the entry chairperson to have your entry accepted. Your athlete will be seeded in the first heat of the event - so the order will be SCY, SCM, LCM, and then athletes with a disability with non-conforming standards.

When at the Meet Check-in, it is your responsibility to let the Meet Referee know that you have an athlete(s) with a disability on your team. In addition, you should inform the appropriate Deck Referee prior to your swimmers' individual events.

If your athlete has a chance to set an American Record, please note that possibility with your entry and inform meet management and the announcer prior to the event. If a record is achieved, please follow up with meet management to complete the necessary reporting process.

If your athlete needs additional support (i.e., S4 classification or lower) with warm-up space or other accommodations when racing, let the deck referee know what accommodations might be required.

Time Trials \$25.00 per event

VOLUNTEERS/OFFICIALS/TIMERS

OFFICIALS: A large number of officials are needed to properly run a meet like this with multiple pools and sessions. There is a need for both YMCA Level I, YMCA Level II and USA-S certified officials during Prelims, Finals and Time Trials each day. All certified officials attending the meet are strongly encouraged to sign up to work at the meet.

To bring a high degree of consistency to the officiating, officials are asked to work as many sessions as possible, but at least four sessions over the course of the week. Officials working at the Prelims will receive morning snack and lunch in the Hospitality Room.

TIMERS: There is also a strong need for experienced timers. We'd like to have 16 volunteers for prelims and 8 for finals. Timers working at the prelims will receive morning snack and lunch in the Hospitality Room. Interested volunteers should complete the application to Officiate/Time below.

REQUIREMENTS OF SAFE SPORT ACT: All volunteers participating in the YMCA National Short Course Championship Meet must have cleared a **background screening** (through USA Swimming or YMCA of the USA) in the last two years and complete approved **athlete protection training** (through USA Swimming or the YMCA) within the past year. See Appendix 5 for more details.

APPLICATION TO OFFICIATE/TIME: Anyone wishing to officiate or time for the swimming events in the meet should complete the application form available on the [event page](#) of the YMCA Swimming and Diving website.

OFFICIALS REGISTRATION AND PRE-MEET MEETING: All officials working the meet should register at Official's Registration. Official's Registration will be held in the Special Events Center/Registration Room beginning on Monday, April 3 and throughout the week. At Official's Registration, officials will receive their credentials, shirts, and instructions.

For those who register to officiate, there will be a mandatory meeting on Monday, April 3. After Monday, there will be a mandatory briefing in the officials' room in the Special Events Center prior to each session.

NEW OFFICIALS MEETING: All officials who have not attended the National meet previously are invited to attend the New Officials Meeting on Monday, April 3 to go over meet procedures and answer any questions they may have regarding the national meet. This meeting creates a setting for new officials to ask questions in a smaller setting with other new officials at the meet.

ATTIRE: The uniform for the Prelims will be the appropriate colored meet shirt (provided at officials' registration) and khaki slacks/pants, shorts, skorts or skirts (no shorter than 4" above the knee).

The uniform for Finals (including day 1 events) will be a White Oxford or polo shirt and long navy blue pants (no shorts, skorts or skirts please).

Officials will only be admitted to the pool complex with appropriate credentials (issued at Officials registration). These credentials must be displayed at all times. Officials are only admitted to the deck for sessions that they are working.

CLASSES FOR OFFICIALS: Training classes will be offered for officials and trainers at the meet. See Schedule of Activities for specific times and locations. Courses offered are Swim Officials Trainer Training, Facilitation Skills for Trainers, Swim Officials Level I Training, and Swim Officials Level II Training. More information is available on the [event page](#) of the YMCA Swimming and Diving website or in the YMCA's Learning and Career Development Center ([LCDC](#)).

CHECK-IN PROCEDURE

MEET CHECK-IN PROCEDURE: Check-in will take place at the Greensboro Special Events Center, Team Check-in Room. The head coach (or coach in charge of the team) should complete the check-in process. Upon arrival in the Team Check-in Room, the coach will receive a routing sheet for their team which will guide them through the tasks they need to complete. During the primary Check-in period on Monday, April 3, there will be multiple check-in stations to expedite the process. Other Check-in periods are scheduled throughout the week, see Schedule of Activities for times.

NEW COACHES MEETING: All new coaches (not just new teams) are invited to attend the New Coaches Meeting on Monday, April 3 to go over meet procedures and answer any questions they may have regarding the national meet. This meeting provides a smaller setting in which new coaches can feel comfortable to ask questions.

COACHES MEETING: At least one coach from each team is expected to attend the Coaches Meeting. Rules and procedures will be reviewed along with introductions of the Championship Meet Committee and the Facilities staff.

PROOF OF TIMES: USA-S SWIMS: If the swimmers' entry times cannot be verified in the USA-S SWIMS database, then they are subject to being randomly selected for proof of the entry time. A 15% or less random sampling of entry times not reconciled against SWIMS will be selected for Proof of Times

The teams randomly selected will be notified via email within 3 days after the Entry deadline. The email address which will be used is the email address entered during the On-line Entry Process. The selected teams will also be posted on the [event page](#) of the YMCA Swimming and Diving website. Only the specifically selected times must be proved.

All proof of times will be performed during the Meet Check-in process. Do not send proof of times to the Entry Chair or Meet Director.

The entered time (seed time) must be proven to the hundredth of a second.

Failure to have proof will result in the elimination of that athlete from that specific event unless heats have been seeded, in which case it counts as an event for the athlete and they may not swim in it.

Proof may be presented from the SWIMS database. Results for meets not in SWIMS must be official meet results.

High school swim meets are swum under NFHS rules, which differ from the USA-S technical rules in a number of areas. For a time from a high school meet to be accepted, that meet must have been observed by USA-S or YMCA officials in accordance with USA-S Rule 202.8. The printed results of the event must show the USA-S Observed Meet number issued by the LSC and must be signed by one of the USA-S or YMCA observers.

Coaches are reminded that other factors may require a team to prove USA-S non-reconciled times. This includes, but is not limited to, a protest from another coach.

PROVING A RELAY TIME: See **RELAY ENTRIES** item in **ENTRY INFORMATION** section for specifics on proving a relay time.

MISSTATED TIMES: If a time is misstated in an event, the proven time will be accepted provided proof can be shown that the athlete's time is at or below the Time Standard for that event. A penalty fee for misstated times will be \$25.00 per individual event and \$50.00 for relays. Misstated times will be corrected providing the scratch box has not been closed for that day. There will be no penalty fee for misstated letters (Y, S or L).

Under no circumstances will a time-change be accepted that is faster than the seed time entered during the on-line entry process, even if a faster time can be proved.

ATHLETE VILLAGE: Swimmers should use the Athlete Village located in the Special Events Center during Prelims whenever they are not swimming. The pool deck cannot accommodate all of the swimmers entered in the meet and overcrowding the pool area negatively impacts air quality.

All Teams will be assigned to a large common area. Please remember that everyone is responsible for their personal belongings. Swimmers should never leave any of these items unattended.

COACH'S TEAM CHECK-IN CHECKLIST:

- Bring proof of times for each entry if you have been notified that you need to prove times
- Scratch any athletes at Team Check-in who will not be competing on the first day of Prelims

- If you are a new coach to YMCA Nationals, plan to attend the New Coaches meeting on Monday, April 3
- One coach from each team must attend coaches meeting on Monday, April 3

CHAMPIONSHIP PROCEDURES AND OPERATIONS

CHAMPIONSHIP COMMITTEE: The Committee is listed in Appendix 3

RULES: The meet will be conducted under the Rules that Govern YMCA Competitive Sports, the Addendum to the Rules that Govern YMCA Competitive Sports, and USA-S Technical Rules. **Per USA Swimming Rule 102.8.1F, 12 & Under athletes may not compete in Technical Suits at this meet.**

A Technical Suit is one that has the following components:

- Any male or female suit with bonded or taped seams regardless of fabric or silhouette; or
- Any male or female suit with woven fabric extending to the knee or mid-thigh regardless of the seam type.

A list of FINA Approved Tech Suits is documented at: [USA Swimming Tech Suit Restricted and Approved List 2-10 \(5\).xlsx](#)

RESPONSIBILITY OF COACHES AND ATHLETES: It shall be the responsibility of the coaches and athletes to acquaint themselves with all information pertaining to swim-offs, Finals, and their participation therein, and other related meet data including scratch procedures.

MEET FORMAT: The meet will be swum using a Timed Finals and Prelims & Finals format with designated distance events contested as timed final events. Swimmer's age will be determined as of the first day of the meet.

EVENT SEEDING: Events will be seeded slowest to fastest (except the 1650 freestyle, 1000 freestyle, and 800 freestyle relay). The order of seeding for an event will be SCY, SCM, LCM, and then athletes with a disability with non-conforming standards. The Administrative Referee reserves the right to combine heats.

HEAT SHEETS: Coaches may pick up their session heat sheet at the HELP Desk on the pool deck. Officials will pick up their Heat Sheet in the officials' meeting for the session.

WARM-UP AND POOL ENTRY: During designated warm-up sessions, athletes may only enter the competition pools from the starting ends. At all times other than competition, athletes are expected to use a three-point entry in which they sit on the edge of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm-up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to always monitor them during warm-up sessions. No team has exclusive rights to any pool lanes during the warm-up period, during or before the start of the meet. Teams will need to share lane space and work cooperatively in the reflection of the YMCA values and sportsmanship.

The policy for the use of training equipment is:

- Training equipment is not allowed in the competition pool at any time during warm-ups.
- Training equipment will be allowed in the non-competition pools when general warm-ups are taking place in the competition pools.

- Once the competition pool switches to specific warm-up then training equipment is no longer allowed in the non-competition pools.
- Training equipment will not be allowed in the non-competition pools when prelims, time trials or finals sessions are taking place in the competition pool.
- The coach whose athletes are utilizing training equipment should monitor its use to ensure a safe environment for all athletes.

RELAY CHECK-IN PROCEDURE: Prelims – Teams will not need to file a relay form for Prelims if the same swimmers who were entered during the on-line entry process will swim in Prelims in the same order as entered. If the swimmers in Prelims are different than the swimmers entered on-line (or in a different order), then a relay form must be filed.

Prelims – Relay forms will be available at the Proof of Times table during Check-in or at the Scratch/Relay table and HELP Desk during the meet. The head coach shall list the team name and the competing relay swimmers (last and first names) in the order that they will swim. Relay entry forms for Prelims must be turned in to the Scratch/Relay table 30 minutes before the scheduled start of the relays. Relay changes may be declared at any time prior to the start of the heat, but the coach **MUST** submit a Relay “Change” card to the Admin Referee prior to the start of the relay’s heat.

Finals - Teams qualifying for Finals will not need to file a relay form for Finals if the same Swimmers who swam in Prelims will swim the same order in Finals. If the swimmers in Finals are different than the swimmers in Prelims (or in a different order), then a relay form must be filed and submitted 30 minutes prior to the relay. All other instructions and conditions shown above shall apply.

SCRATCH PROCEDURES: Once entries have been submitted, an athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete’s total number of events for the meet. The USA-S scratch procedures (USA-S Rule 207.11.6) will be followed, as modified for this Meet as set forth below: Scratch cards will be available from the Scratch table and the HELP Desk.

SCRATCHING FROM PRELIMS: The athlete or coach must complete and submit a Scratch card to the Scratch table by 12:00 noon on Day 1 for events swum on Day 1 and by 5:00 PM the previous day for Day 2-5 events.

SCRATCHING FROM A TIMED FINALS EVENT: Athletes may scratch from a timed Finals event in accordance with the procedures for Scratching from Prelims.

SCRATCHING FROM FINALS: For an athlete initially qualifying for the A, B, C, or D Finals, the swimmer or his/her coach, must notify the scratch table within 30 minutes following the announcement of his/her name as a finalist that he/she will not compete in Finals in that event.

If there have been scratches from a Final event, the Administrative Referee will attempt to notify any swimmer moved up into FINALS.

Failure to compete in a Finals Event from which the athlete has not scratched shall disqualify the athlete from the remainder of the meet. However, no penalties shall apply for failure to compete in Finals if the referee is notified in the event of injury or illness and accepts the proof thereof, or it is determined by the Referee that failure to compete is caused by circumstances beyond the control of the athlete.

DECLARATION OF INTENT TO SCRATCH: An athlete qualifying for A, B, C, D Finals (or his/her coach), based upon the results of the Prelims in an event, may notify the Scratch/Relay table within 30 minutes after announcement of the qualifiers for that event that he/she may not compete in the Finals of the event, pending the results of a subsequent individual Prelims event in which he/she is entered. The athlete (or his/her coach) must then declare his/her final intentions within 30 minutes following their last individual Prelims event (USA-S Rule 207.11.6E(2)). If the athlete (or his/her coach) does not declare his/her final intention, it will be assumed the athlete has chosen not to scratch from the Finals of the original event. If the athlete then fails to compete in this Finals Event, he/she shall be barred from further competition for the remainder of the meet (USA-S Rule 207.11.6D(1)).

DECLARED FALSE START: An athlete may also withdraw from a Prelims heat, timed final, or swim-off by electing to take a declared false start. Such a declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW: An athlete who is seeded in a preliminary event and fails to compete (i.e., a “no show”) shall not compete in any further individual or relay events on that day unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

In addition, the athlete shall not be seeded in any individual events on succeeding days unless that athlete and/or coach declares their intent to swim prior to the close of the scratch box for the next day’s events.

(Note that under USA-S rules, a no show is automatically barred from all further individual and relay events for that day (Rule 207.11.6C); we are easing that burden, particularly for relay swimmers.)

STARTS: 'Fly-over' starts may be used at this meet for Prelims and Time Trials.

SWIM-OFFS: In the event a swim-off is necessary, the meet Administrative Referee will set a time for the swim-off which will not be any later than 45 minutes after the last heat of any event in which any of the swimmers in the swim-off is competing. (USA Swimming Rule 102.5.2).

TIMING: The timing of all swimming events will be posted to the hundredths of a second. In the case of a tie to the hundredths of a second in a preliminary event, swim offs will be scheduled, as necessary, in accordance with Rule 102.5.2.

INITIAL SPLITS: Coaches desiring a time for an initial split in an individual or relay event must complete the appropriate form and present it to the Deck Referee prior to the swim in question so that additional timers can be provided as a back-up to the timing system. Forms are available at the HELP Desk. Coaches may be asked to provide one or more timers for their athletes.

HELP DESK: General meet information, Heat Sheets, Bio Forms, Facility Information, Relay Change Cards, Requests for a Time for Initial Split, etc. can be obtained at the HELP Desk, located on the pool deck outside the First Aid room.

SWIMS (USA-S): This meet has been approved by USA Swimming. Therefore, all individual times will be automatically submitted for entry into SWIMS as long as USA-S ID numbers have been included with your entry.

DISTANCE EVENTS: 1000 and 1650-yard Freestyle and 800 Freestyle relay events are timed Finals and are swum fastest to slowest. The Deck Referee may combine the slowest heats if warranted.

For the 1650 Freestyle, the top 8 seeded competitors (each gender) will swim in the evening Finals.

The 800 Yard Freestyle Relay is a Timed Final with the two fastest seeded heats for men and women swimming at night. Morning heats will be swum fastest to slowest; evening heats slow to fast.

FINALS: For Individual prelim/final events, the heat order is "B"-Heat (consolation heat), followed by "A"-Heat (Finals heat), followed by "C"-Heat (bonus heat), and D"-Heat (15 & under).

For Relay events, the heat order is "B"-Heat (consolation heat) followed by the "A"-Heat (Finals heat).

Eligibility protests (prior to the meet and at the meet) will be heard by an Eligibility Committee. The Eligibility Committee will investigate and make a ruling.

The USA-S protest procedures (Rule 102.23) will be followed, as modified for this Meet, and set forth below:

All protests must be made using the Protest Form and delivered to the Meet Referee. Protest Forms can be obtained from the HELP Desk.

For protests made prior to a race, concerning the eligibility of an athlete(s) to compete, the Eligibility Committee will endeavor to resolve the protest before the start of the race in question. If the Eligibility Committee cannot resolve the issue before the race has swum, the affected athlete(s) shall be allowed to swim under protest and that fact shall be announced.

All other protests must be made to the Meet Referee, using the Protest Form, within 30 minutes after the conclusion of the race in which the alleged infraction occurred.

Protests against "judgment decisions" of starters, stroke, turn, place, and relay take-off judges can only be considered by the Referee and the Referee's decisions will be final. Any questions concerning judgments by deck officials should first be addressed to the particular Deck Referee, and then to the Meet Referee, as appropriate.

The Meet Committee will serve as the Meet Jury and will consider all other protests lodged against the Meet. Their decisions will be final.

The results of any protested race will not be announced, any awards will not be presented and any points will not be allocated until the protest is resolved or withdrawn, in writing.

Whatever needed to be done, he pitched in and got it done. Unfortunately, Connie died suddenly at an early age, and the YMCA lost the services of this dedicated volunteer.

The recipient of this award best represents the ideals of a YMCA Swimming Official and the example set by Connie Carroll.

The recipient will be introduced at the Championship.

TIME TRIALS

FORMAT AND FEE: Time Trials are open only to athletes entered in the Championship meet. The Time Trial Sessions will begin approximately 30 minutes after the Prelims. Each athlete is allowed to enter a total of **four (4)** Time Trials events for the meet. The Time Trial event fee is \$25 per event entered.

An athlete may only swim the stroke being contested in a Time Trials event, e.g., an athlete may not swim backstroke in a breaststroke event in Time Trials.

Once an athlete is entered into Time Trials and the fees paid, there is no refund of the fees.

TIME TRIAL LIMITS: The 1650 free and 1000 Free Time Trials will be limited to **2 heats** of 8 entries of the fastest seeded swimmers per gender. The 500 Free Time Trial is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender and the 400 IM is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender.

The number of Time Trial entries will be limited so that the Time Trial session will be complete by 2:30 PM each day. Should weather or other exceptional circumstances delay Time Trials, we

reserve the right to terminate the time trial session if it will run past 3:00 PM. This is necessary to ensure an orderly transition to the evening Finals Session.

A swimmer may swim more than one Time Trial per day as long as the swimmer complies with the USA-S rules below.

USA-S rules limit the total number of individual event swims (Rule reference 102.2.2 and 102.2.7).

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet
- Time trial events must count as a part of this daily total.

TIME TRIAL ENTRIES: There are no qualifying standards for time trials. Time Trials may be entered online prior to the meet or hand-delivered for an entry during the meet. Online entry for Time Trials is under a separate meet entry from the Championship meet entry.

Online Meet Entry is encouraged. The on-line entry for Time Trials is:

<https://www.swimcloud.com/results/231443/times/>. **Deadline is Thursday, March 30 at 9:00 PM ET.** Payment for all online entered Time Trial entries must be made at or before Team Check-in **by credit card only.**

For Time Trial entries during the meet, individual and team entry forms will be available at the HELP Desk or the Time Trial Desk. Completion of these forms in advance will save time for the coach and the Time Trial desk.

NEW This Year: The Time Trial entry form will require the coach's authorizing signature. At the end of the week, teams will be invoiced through Swimcloud for Time Trial entries made during the meet. No cash will be accepted at the meet. A report detailing the deck entries will be available for each team.

SCRATCHING FROM TIME TRIALS: If you know a previously entered athlete will not compete in a Time Trials, please inform the Time Trials Desk prior its closing. While there will be no refund, your effort to remove the athlete prior to seeding will increase the efficiency of the Time Trials and our ability to accommodate all athletes who wish to compete.

TIME TRIAL PROCEDURE: The schedule of time trial events each day will include the events swum during that prelim session and the events to be swum during the next day's prelim session.

An athlete may switch events without incurring an additional fee by scratching from one event prior to the event's final seeding and entering into another event. After the final seeding, the swimmer cannot switch events. A new desired event can be entered by submitting a new Time Trial event form and paying the Time Trial event fee.

After time trial entries close for the day, a determination will be made if there is time to swim all scheduled events during the afternoon's time trial window. At approximately 11:00 AM each morning a notice will be posted at the Time Trial office and at the Help Desk indicating which of the events on today's time trial schedule are expected to swim this afternoon. Athletes entered in scheduled time trial events for which time was not available for them to swim will be permitted to change their entries to time trial events offered on a subsequent day at no cost.

Each morning after Time Trial entries have been closed, the psych sheet for that days' Time Trials will be posted. An announcement will then be made by the announcer asking coaches to review their Time Trial entries for the day.

Coaches should review the psych sheet to ensure their entries are correct. If they find any errors, they should report them promptly to the Time Trials Desk. Approximately 30 minutes after the posting of the psych sheet, the Time Trials Desk will stop taking updates and begin the seeding process for the Time Trials.

If an error is discovered after Time Trials have been seeded, an athlete will only be entered into an event if there is an empty lane. It is incumbent upon the coach to find and report errors during the review period in order to ensure their athletes get in their desired events with correct seeding.

RESULTS: Time Trials results will be posted on Meet Mobile as a separate meet from the Championship Results.

APPENDIX 5: SAFE SPORT AT YMCA NATIONAL CHAMPIONSHIP EVENTS

Federal legislation enacted in February 2018 expanded requirements around sexual abuse prevention for organizations that arrange amateur athletic competitions for minors. To ensure compliance with all applicable laws, and to continue to strengthen our ability to protect youth in our care from abuse, **ALL coaches, adult athletes, and volunteers/officials participating in the YMCA National Championships**, must take steps to ensure policies and procedures for abuse prevention and reporting align with the law. It is our responsibility as adults to recognize red flag behaviors in other adults, report suspicious or inappropriate behaviors and policy violations, ensure consistent supervision of athletes to prevent youth-to-youth sexual activity, and report all concerns to the appropriate authorities and meet personnel.

For our national events, the YMCA of the USA requires compliance with the U.S. Center for Safe Sport's mandate that all coaches, adult volunteers, and adult athletes take athlete protection training annually. This training must include Sexual Misconduct Awareness and Mandated Reporter training.

Volunteers, officials, adult athletes, and coaches must provide printed proof of completing the required trainings and sign and attest to the event Code of Conduct.

CHILD PROTECTION TRAINING PATHWAY:

- Option 1: USA Swimming Member:
 - *If you are a member of USA Swimming AND are in good standing, you have met the requirement. Log into your Dashboard page on the USA Swimming website. Your certification can be printed from the USA Swimming LEARN platform, or your Dashboard Page.*
- Option 2: Non-USA Swimming Member:
 - *Non-USA Swimming coach, official, volunteer and adult athlete may take [the free Praesidium online](#) child protection trainings. **All three must be completed:** Athlete Protection-Swim Edition Part 1, Athlete Protection-Swim Edition Part 2, Duty to Report-Mandated Reporter*
 - See the [Quick Start Guide](#) and use access code **reg-yusa-610-swimmingdiving**
 - Print the 3 completion certificates or your training transcript and upload as one pdf with your meet attestation.

REQUIRED ACKNOWLEDGEMENT: All coaches, adult athletes and volunteers/officials must read and provide a signature to acknowledge they have read and understood the YMCA of the USA event **Code of Conduct**. This will be provided electronically through the [meet attestation](#).

BACKGROUND SCREENING: All coaches and volunteers, including officials, must have cleared a background screening, completed by the YMCA or USA Swimming, within the past two (2) years. Current USA Swimming non-athlete members will have satisfied this requirement and may use their Dashboard as proof. YMCA of the USA will initiate and pay for a background screening for any volunteer who is not a current USA Swimming member or who has not cleared a YMCA of the USA-initiated background screening within the past two (2) years. Coaches will have this requirement attested to through the [Declaration Form](#) completed by their YMCA's CEO.

REQUIRED REPORTING: During the event, a report of alleged abuse should be filed with local authorities within 24 hours. In addition, during the event, staff and volunteers will report concerns or complaints about other staff, volunteers, adults, or youths to Lindsay Mondick at lindsay.mondick@ymca.net or to Praesidium's Anonymous Helpline at (855) 347-0751.
