

## **Photo & Video Policy**

Flashes Aquatics will use photos of athletes, families, and coaches to promote Flashes Aquatics and its activities in online media. A written request to exclude your athlete from any photos used can be provided to Flashes Aquatics (see below). Families are responsible to provide a written request to exclude your athlete.

When using photographs or videos of athletes we will adhere to the following guidelines:

All photographs and videos must observe generally accepted standards of decency in particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context.
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swimsuit.
- Photographs should not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs should not be taken in locker-rooms or bathrooms.
