Introduction

Thank you for your interest in becoming a Level 2 YMCA Swim Official. In September and October 2023, we are offering two Swim Official Level 2 classes. This is the YMCA advanced class at focuses on how to start races/events, oversee other officials, and handle meet management.

To be eligible to take this class you must have been a fully certified YMCA Level I or USA-S official for at least one year and have served a minimum of 8 sessions as a fully certified YMCA and/or USA-S Swim Official. Only individuals who are at least 21 years of age and are associated with a recognized YMCA swim team are eligible to enroll in this class.

Those individuals interested in renewing their Level 2 credentials should also take this class.

The remainder of this document explains how to register and participate in the Swim Official Level 2 class.

Registration, Course Structure, and how to set up an LCDC Account

YMCA Swim Official classes were originally designed as in-person four-hour classes. By holding the classes via Zoom we have been able to reduce the course time to roughly three hours by breaking the class into two separate classes. These are the Y Swimming Orientation and the Level 2 class.

Y Swimming Orientation

This is a one-hour overview of YMCA competitive swimming. You do not need to register in advance for this orientation as it is offered multiple times. All you will have to do is attend one of the one-hour orientations. The instructor will be Earl Long, ejlswim@gmail.com. The dates and Zoom links are:
