2022 Spring/Summer Season:

The group reviewed the spring/summer schedule developed at the May meeting to check for any changes or updates. Jan explained disappointment by a number of her parents because the majority of meets are scheduled for Sundays. It was acknowledged these dates were the ones the branches were willing to make available for the spring/summer series. Hopefully, PSSA will be able to return to Saturdays in the fall

Jan clarified the July 30th meet will be for the southern teams. Also added to the schedule the meet that will be hosted by Gordon.
